

Action Taken Report (2020-2021)

Feedback System:

As per the feedback received (Offline/Online) from the students, stakeholders, parents, the college administration through the effective administrative tool, College Development Council (CDC) focuses the various parameters as Syllabus, Library, students welfare Schemes such as EWS, Earn and Learn, Accidental Claims, Sports, Cultural facilities, NSS and NCC, Infrastructural facilities for the students and the staff including water purification plants, fire safety, CCTV, WiFi system and many more.

Feedback Analysis System:

As mentioned above the feedback forms were collected regarding the restructuring of the syllabus. The meetings of the heads of the various departments of the college were held by the Principal and the suggestions were invited from them. The said suggestions through different BoS members were forwarded to the University authorities since the planning and the implementation of the syllabus is undertaken by the University Mechanism. Apart from the prescribed syllabus of the University the college has its own Career Orientation Certificate Courses (COCC) through various departments of the college.

Similarly the demands/suggestions/complaints regarding facilities mentioned earlier are resolved on administrative level.

Action Taken Report:

- I) Regarding the framing and the restructuring the syllabus, the University takes into consideration the suggestions and implements the same in the form of framing three years periodic syllabus.
- II) The library automation was done by using Master Soft Software and digital students Diary Cloud. It proved very helpful to the students for easy library access. Ours is the first college in the University region to start online admissions even prior to COVID-19. Through the MicroSoft Legal software 100% cashless transactions were done by using the card system . But it used to charge some tax to the students. So we adopted the further step of using QR code.

- III) For Sports department, indoor and outdoor Gym facilities are provided to the students.
- IV) For cultural department the college provides various musical and other instruments from time to time.
- V) Various grievances of the students, Teaching, Non-teaching staff are solved time to time through the Grievance Redressal Committee.
- VI) When the whole world was suffering from COVID-19, the students, teachers and even the parents were panic due to the problems of Teaching, Learning and Evaluation. To meet these challenges we had purchased the Mastersoft software. Everyone was very panic initially but later paved the way through! Not only the problem of Teaching and Learning but the problem of Evaluation was solved very smoothly Microsoft Teams online Platform.
- VII) Our CDC is very active mechanism including teachers, students, stakeholders, industrialists and educationist. Its priorities are to solve the problems of staff and students and physically challenged students time to time. For physically challenged students the ramp has been built.
- VIII) Recently the college has installed the solar system approximately saving 10 KW energy per day.
