Best Practices

Best Practice No. 01

Title of the Practice: Green and Eco-friendly Campus

The College is aware of environment and as a part of it, we have developed green and clean campus. We have separate parking of vehicles for students and teachers. The students and teachers are environmental conscious and take efforts in maintaining a campus green and ecofriendly.

i) Tree Plantation:

The institute JDMVP established in 1917 and its first college founded in 1972.

Since that time, we have given importance to planting trees. There are various types of trees and plants in the campus. Overall there are 27 different types of trees planted – like Bottle Pump, Neem, Saptparni. Banyan, Ashoka, Sisam, Banyan, Gul-Mohar, Bel patra, etc. The students belonging to NCC/NSS and Sports water the plants on regular basis.

A botanical garden is developed which not only facilities studies but also acts as an environment friendly endeavor of the college. This garden consists number of medicinal plants.

ii) Keeping Campus Clean:

We have special campus sweeper to clean the campus early in the morning. There are dustbins kept at various places in the campus. The students and the teachers use the dustbins for keeping the waste and garbage.

iii) Say no to Plastic:

The college creates the awareness among the teachers and the students regarding no use of plastic- “Say No To Plastic”.

Practice No.0 2

Title of the Practice: Service Provider

The stakeholders in our college, come from adjoining rural area. These students along with teaching learning in the college, do the part-time job as our college is located in heart of the city, the students take the advantage of the location of college and acquire the skills in their part-time job which is easily available for them in the city. The college has decided to take the advantage of these students to develop the skill of these students by providing them the opportunity to earn while learning. Such students are acknowledged and the list of service provider is made available for the society as well as for the teaching and non-teaching staff of the college.

Services Provided:

We have the students who have the skills in Optician, CCTV, Welding, Soda Foundation, Salesman, Electricity repair, DTP Typewriters, Driving, Accountancy, GST Returns, Flower Sellers, Computer Hardware repair, Data Entry, PAN Card, Photography, Door mat, Painting, Plumbing, Mirror hanger, Inverter, Water filter, Cooler, AC repairing, Mobile repairing, Helpers, Event Management for wedding and engagement, Driving trainer etc. are available to give their service to the society.

Earn and Learn through service provider.

Service provider skill has a turn out to be a worship for the students as the students started earning while learning. Some students after completing their education have started their own jobs or a kind of small start-ups.

Service Provider Centre –
