- 2) To held Science exhibition of different working models.
- 3) To held Science quiz contest.
- 4) To arrange popular lectures of eminent persons on current topics of Science.
- 5) To display scientific news cutting from newspaper, magazine and journals.
- 6) To arrange educational and industrial visits.
- 7) To involve students in various science activities.
- 8) To provide the guidance necessary to the science departments of our college in order to create the interest among the students in special subjects like computer, information technology, bio- technology, bio- technology, bio- technology, bio-

Since our college is a premier institution working for science education and keeping in view the above objectives the college opened a science association and constituted a committee of teachers to plan and execute different activities relating to science and technology.

## **4** Functioning of Science Association:-

The Association offers a free membership to the science students from Graduate and Post Graduate classes. The Committee members meet frequently formally as well as informally and discuss about the different activities which could be conducted in our college. The principal of our college express their views regarding the activities. The necessary financial assistance is made available by our principal. The association receive the help of colleague's members of science faculty. Seeking the help of all every activity is made successful and graceful. We also see that every member of the committee shall be actively involved in the work and we are proud to note here that the functioning of science association is smooth and efficient.

## Same concept of *Vidnyan Vari* was organized in between 2019 and 2020.
