A Report of  
**SCIENCE ASSOCIATION**

(Year **2021-22**)

## **Goal of Science Association:-**

Science association, a joint association of students and teachers formed in our college to achieve the following goals.

- 1) To hold different activities which will lead to create interest among the students about the science activities to create awareness about the current science events.
- 2) To held Science exhibition of different working models.
- 3) To held Science quiz contest.
- 4) To arrange popular lectures of eminent persons on current topics of Science.
- 5) To display scientific news cutting from newspaper, magazine and journals.
- 6) To arrange educational and industrial visits.
- 7) To involve students in various science activities.
- 8) To provide the guidance necessary to the science departments of our college in order to create the interest among the students in special subjects like computer, information technology, bio- technology, bio-technology environmental science etc.

Since our college is a premier institution working for science education and keeping in view the above objectives the college opened a science association and constituted a committee of teachers to plan and execute different activities relating to science and technology.

## **Functioning of Science Association:-**

The Association offers a free membership to the science students from Graduate and Post Graduate classes. The Committee members meet frequently formally as well as informally and discuss about the different activities which could be conducted in our college. The principal of our college express their views regarding the activities. The necessary financial assistance is made available by our principal. The association receive the help of colleague's members of science faculty. Seeking the help of all every activity is made successful and graceful. We also see that every member of the committee shall be actively involved in the work and we are proud to note here that the functioning of science association is smooth and efficient.

## Indian Great Scientist competition on the occasion of National Science Day by lighting the lamp in a unique way through remote sensing

In Nutan Maratha College on 28 February 2022, an Oratory competition was organized on the theme Indian Great Scientist. The competition was inaugurated by the Principal Dr.L.P Deshmukh by lighting the lamp in a unique way with the help of remote. The said technique has been developed by the grandmothers and former students of Science Department of Nutan Maratha, due to which the degradation of the environment will be stopped to some extent. Twenty students gave excellent presentations about 20 great Indian scientists. Dr. CV Raman, Meghnath Shah, Vikram Sarabhai, Subramaniam Chandrasekhar, Dr. Homi Bhabha, Dr. Jagdish Chandra Bose, Nambi Effect, Dr. Salim Ali, Dr. APJ Abdul Kalam, Asima Chatterjee, Satyendranath Bose, Venkataraman Radhakrishnan SS Chandrasekhar. Samridhi Anil Deshpande and Naira Shaikh jointly came first and Kiran Wagh came second and Ashwini Thorat came third. Principal Dr. LP Deshmukh, Vice Principal Dr. Madhuri Patil, President of Science Association Prof.R.B Deshmukh PG Coordinator Dr. K.V. Patil was present.
