

### REPORT AS CLEAN AND GREEN CAMPUS INITIATIVES

Jalgaon District Maratha Vidya Prasarak Samaj's Shri. S. S. Patil Arts, Shri. Bhausaheb T. T. Salunkhe Commerce and Shri. G. R. Pandit Science College Jalgaon (M.S.) (Nutan Maratha College) maintains a strong commitment to environmental sustainability and responsible living practices alongside its primary educational objectives. The institution has incorporated a comprehensive Green, Energy, and Environment Audit into its policy framework to ensure that environmental responsibility remains a central focus.

The institution has undertaken external audits. In recognition of the Institution's efforts for sustainable development. The Institution has successfully undergone Environmental Audit for the year 2021-2022 by auditing agency SRUSHTI EHS Consultant Services Jalgaon (M.S.). Experts from this external agency visited the campus to evaluate the institution's environmental practices, energy and water resource utilization, and overall green initiatives. The comprehensive reports provided by the external agency are carefully reviewed by institutional authorities, leading to the implementation of corrective measures and interventions aimed at enhancing the institution's sustainability practices. This holistic approach underscores the institution's commitment to minimizing its environmental footprint and promoting a sustainable and habitable planet.

Plantation Drives had been organized time to time in and around the campus by the institute in association with Environment Management Committee and NSS Unit. Students and staff members participate in this Plantation Programme with great enthusiasm

Green Campus initiatives by the institute include Water Conservation, Tree Plantation, Waste Management, and Alternative Energy. With this in mind, Green audit has been conducted by the institute.

Slogans on Energy Conservation, Water conservation, Conservation of Greenery etc. has been placed by the institute within the campus to aware the students towards energy and greenery conservation

Name plates containing local name, botanical names and the family has been displayed on the plants within the campus of the institute.

To reduce paper waste one side rough paper are used for the printing of Notices, Time table etc.

Plastic bottles, caps and other waste material are stored separately and sending to regarding agency.

Electrical and glass waste are stored separately and sending to regarding agency.

Dry and solid waste are collected separately and proceed to convert it in compost and vermicompost.

Roof and surface water harvesting facility is provided in main buildings.
